

ELECTRIC MINI VAN

Mini Van Catalogue

TERMINAL DISTRIBUTION INTELLIGENT VEHICLE WITH THREE ADVANTAGES

01

Battery capacity: 9.98kWh

02

Operating endurance: >120km

03

Cargo compartment volume:
about 1.8m³

MAIN PARAMETERS

Security configuration:
ABS+EBD

Rated power/maximum
power: 6/12kW

Wheelbase: 2200mm

Overall dimensions:
3300×1080×1700mm

Battery capacity:
Lithium iron phosphate:
9.98kWh

Security configuration:
ABS+EBD

VERY SPACIOUS AND COMFORTABLE TO LOAD

58 barrels of Nongfu Mountain Spring, 1 trip

- The compartment is about 1.8m³, taking the 5L Nongfu Spring as an example, it can deliver 58 barrels in one trip, which is 45% more than a tricycle.
- Load more, Run faster, and earn N times the money of others at one time.

290KG, no problem

- The high-strength leaf spring rear suspension and high-load integrated electric drive axle make the load-carrying capacity of the vehicle reach 290kg.
- It can meet the requirements for the use of express delivery and light cargos delivery, and at the same time can expand the vehicle demand for daily load distribution in the same city.

Protecting your package

- Goods package fully sealed transport
- It can ensure road traffic safety and prevent damage to items

VERY COMFORTABLE AND GOOD LOOKING

Drive the best car and earn the most money

- The front face is simple and sprouting
- High-gloss black grid with colorful decorative strips
- The visual impact is full.

Bright and dynamic, but also eye-catching

- Round headlights with smart technology, distributed at both ends of the front of the car
- The interior of the headlights is full of details, shining like diamonds.

The back view is also very exciting

- The tail shape is simple and elegant, and the design is small and square
- It echoes with the front face design.

VERY COMFORTABLE AND GOOD LOOKING

- The interior design has clear layers, and the functional layout is practical and complete. The technology-filled ip center panel adds a touch of vitality to the interior.
- The small and exquisite screen is full of functions and meets daily needs. Seats are textured in dark gray fabric for durability and wear.

TERMINAL DELIVERY MIYOSHI SMART CAR

Safe

- Low Cost
- Big guarantee
- Security compliance
- Safety technology
- Safety body

Smart

- Small body
- Big purpose
- Dexterity
- Economy
- Right way of dexterity
- Community dexterity

Comfortable

- Small Innovation
- Great Enjoyment
- Comfortable configuration
- Comfortable driving
- Comfortable Service
- Comfortable Loading
